Q2 ==> Personal JIRA

## Step 1 : Create jira account

## Step 2 : Creating New Project

### Step 3: Creating Users

The screenshot shows the Jira Administration interface. The left sidebar contains navigation options: Administration, User Management, Site Settings, Organizations & Security, Subscriptions & Billing, and Application Settings. The 'Users' link under User Management is selected. The main content area is titled 'Invite new users' and includes a form to add new users, a 'Trusted users' section, and a table of existing users.

**Invite new users**

Full name:  Email address:

**Trusted users**

These first users will be given trusted permission. Trusted users can help lighten your load by being able to add and configure products, and invite users. This can easily be undone later.

☒ Give trusted permission

**Your trial ends on 23 Jan 2019**

Add payment details to keep working with your dream team.

**Active users**

Full name	Email address	Last active	
George Peter	anu.peter@gmail.com	22 Jan 2019	Deactivate
OE_TEST1	oe_test1@test.com	Never logged in	Resend
OE_TEST2	oe_test2@test.com	Never logged in	Resend

### Step 4 : Creating Versions

The screenshot shows the Jira Releases page for the 'SW\_OE\_HW2' project. The left sidebar contains navigation options: Releases, Issues and filters, Pages, Components, Add item, and Project settings. The 'Releases' link is selected. The main content area is titled 'Releases' and includes a search bar, a filter dropdown, and a table of releases.

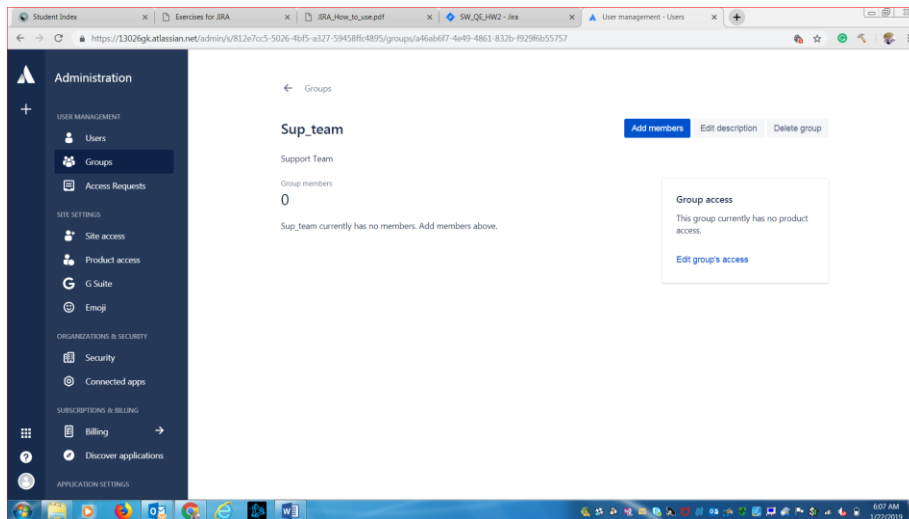

**Releases**

Version:  Filter: Unreleased

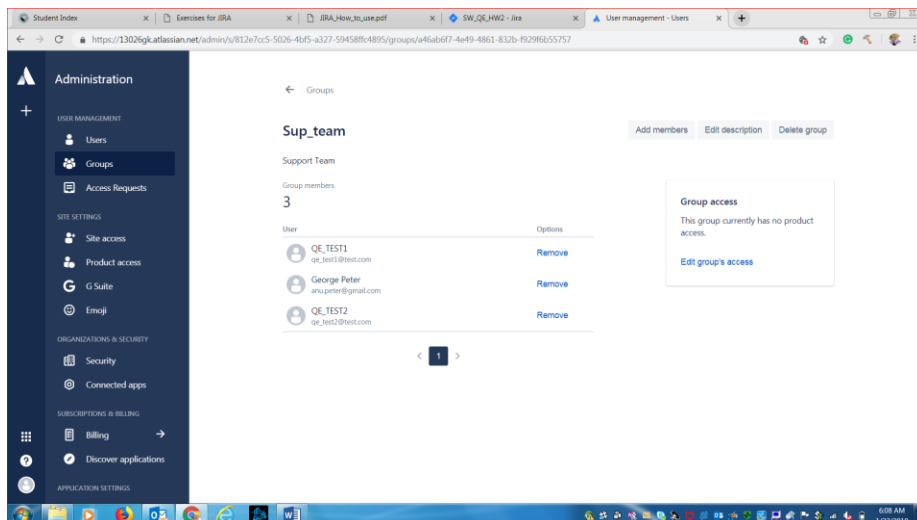

**Create version**

Version	Status	Progress	Start date	Release date	Description	
Version 1.1	UNRELEASED	No issues			Add new feature	...

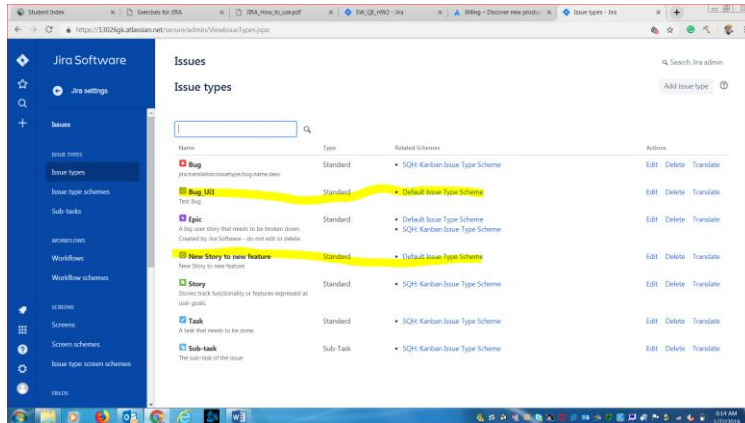

## Step 5: Creating UserGroup

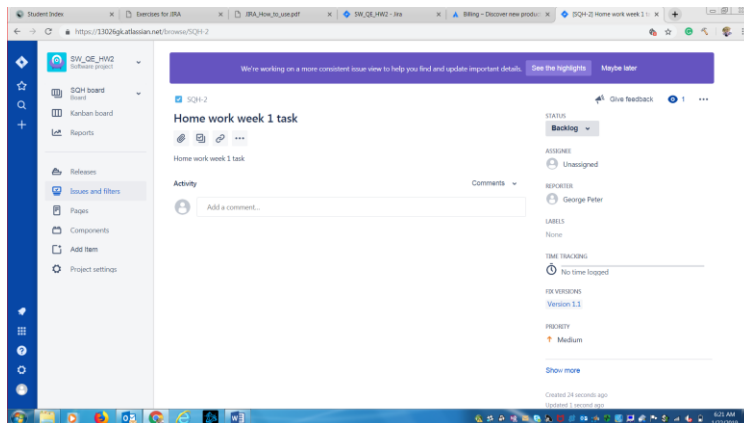

## Step 6 : Assigning Users to Group

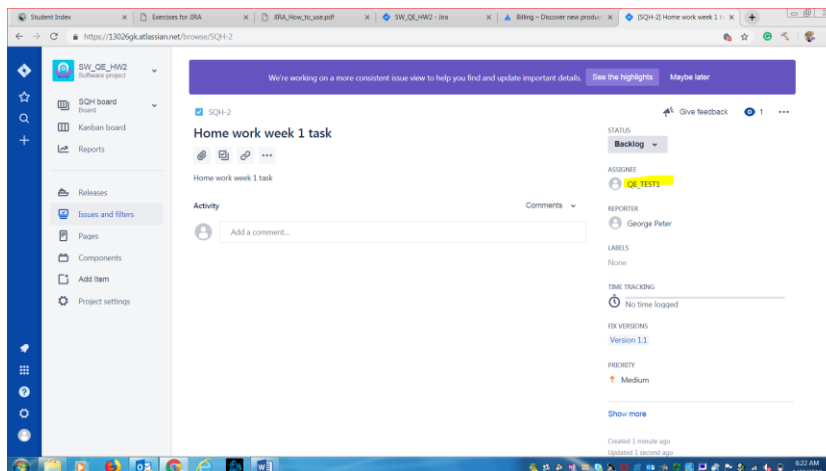

## Step 7 : Creating Issue Type

## Step 8: Creating Issue

## Step 9: Assigning User/UserGroup to Issue/Task

## Step 10 : Changing Status of Issue/Task

The screenshot displays the Jira web interface for a project named 'SW\_QE\_HW2'. The left sidebar contains navigation options like 'Back to project', 'Issues and filters', and 'My open issues'. The main content area is titled 'My open issues' and shows a list of issues. A specific issue, 'Test Issue' (SQH-1), is highlighted. The issue's status is 'In Progress', which is circled in blue. The issue is assigned to 'George Peter' and reported by 'George Peter'. The priority is 'Medium'. The activity log shows the issue was updated by 'George Peter' 'now'. The issue was created 34 minutes ago and updated 1 second ago. The bottom of the screen shows a Windows taskbar with various application icons and the system clock indicating 6:24 AM on 1/22/2019.
